

PRIVACY POLICY

ARTICLE 1: PROTECTION OF PERSONAL DATA

1.1 Data Processor - Data Recipients:

The data collected is processed by: FLASHGAP SAS, the parent company of the FRUITZ service with a capital of € 26 232,00 registered under number 805 232 352 at the RCS de PARIS, whose head office is located at 5 rue du pont aux choux 75003 Paris and represented by its President, Julian KABAB.

Only certain employees of the internal Customer Services and Authorized Support teams of FRUITZ process the personal data of Members for the purposes described in Article 1.2 below. These employees and authorized managers only have access to the data they need in the course of their duties. FRUITZ may also contract with authenticated and reliable subcontractors who may access, host and / or process certain personal data of Members on behalf of FRUITZ. According to its instructions and in accordance with the Privacy Policy that guarantee the security and confidentiality of Members' personal data. In particular, these subcontractors allow FRUITZ to compile statistics on usage volumes and / or use of the Application and / or ensure the proper functioning of the Application.

The personal data of a Member identified as "accessible to the public of FRUITZ" in the article 1.3 below which appear on his profile are accessible only to the other Members which answer compatible search criteria.

1.2 Purposes of Treatments Operated By FRUITZ

The data collected by FRUITZ is necessary for the proper functioning and improvement of the Application Services offered to our Members.

The data collected also makes it possible to conduct statistical studies and marketing-type analyzes related to the use of the Application. FRUITZ can finally access the personal data of the Members, keep them and share them with authorized third parties in response to a legal request (search warrant, order of a court or other) or to comply with legal, regulatory and judicial obligations or administrative; detect or prevent fraudulent activities or breaches of the security of the Services, in accordance with and in compliance with the law. Please note that if Data is forwarded to a legal external third party, a signed document must be brought to the management team and signed by a judge.

1.3 Loyal Collection of Personal Data - Data Type

Identity Data:

The registration form is required to access the Services and is retrieved by FRUITZ from Facebook to minimize the formality via Facebook Connect.

The registration requires the Member to disclose some of its personal data:

- Photos: At a minimum, the public Facebook profile picture. The Member will then be able to remove or modify this photo. For the sake of transparency, published photos must represent the Member and must not deceive other Members about its appearance. These photos must not represent a celebrity, include a portrait of a minor, incarnate a racist, offensive, illegal or sexual message or contain personal information. They are published in the Application under the sole responsibility of the Member. By becoming a Member, the latter accepts the publication of his photos in the Application. Please note that FruitZ's management team has the right to delete and ban for life the account of user not complying to these identity terms.

- his date of birth (only the age deducted from the date of birth is accessible on FRUITZ via Facebook)

- sex (publicly available from FRUITZ)
- his first name (publicly available from FRUITZ)
- its interests (accessible to the public of FRUITZ)
- his name (inaccessible to the FRUITZ public)
- its fruit (accessible to the public of FRUITZ)

- his e-mail address (inaccessible to the FRUITZ public). The Member undertakes to verify that the e-mail address retrieved via Facebook Connect is valid and / or to modify it in order to facilitate communication with FRUITZ.

Other personal data that the Member may provide in their Account, are optional and communicated in its sole discretion (either directly or via Facebook Connect) and under its sole responsibility.

A Member may allow access to his friends list on Facebook to view, when visiting the profile of another Member, possible friends in common.

Position data (geolocation):

The main purpose of the Application is to enable Members to find others around them. An authorization is requested from the Member to collect and process data relating to its geolocation so as to enable FRUITZ to identify the distances between each member to facilitate the physical meeting with other Members having agreed to be geolocated. Geolocation also allows FRUITZ to list profiles that match the distance search criteria. FRUITZ does not reconstruct the movements and / or itineraries of its Members. At no time will the exact location or itinerary of a Member be visible to other Members.

The Member can return for free at any time on his consent and disable the geolocation option on his smartphone. In this case, the profile discovery service will not be functional. The Member will not be able to find any other Members on the app without geolocation. Please note that chat features and all others options are still available without Geolocation.

Transaction data:

FRUITZ does not collect or process any banking data. Apple's App Store and Google Play Store have chosen not to share certain data with mobile apps, which include transaction data. These data are exclusively collected and processed by these platforms, FRUITZ can not modify these methods of payment.

Data relating to the exchanged communications:

The messages are sent and stored on FRUITZ's servers exclusively to ensure the transmission service of the exchanges between the Members who had a smoothie. Messages and voice messages are strictly private and are binding only on interested Members. Authorized officials of FRUITZ do not have any control over these conversations, except on judicial request and / or in accordance with the applicable legislative or regulatory provisions and / or within the framework of the evidence possibly provided to FRUITZ by a Member to the occasion of a report. In addition, strictly Private Messages will not be accessible to other Members not affected by the Exchange or to any third party.

Search preferences data:

By default, the Application is set to search for Members of different gender (male -> female -> male) and an age group of +2 / -2 relative to age of the registered member on Facebook. The Member may modify these parameters and enter in the Application the age range and the type of persons sought (male and / or female) in order to be exclusively related to the profiles that meet his criteria. The Member is then only presented to Members responding to his research preferences.

Mobile data:

When the Member uses the Application, FRUITZ collects server logs that may include information such as IP addresses, operating system, or application failures. FRUITZ is unable to access the browsing history of its Members.

1.4 Additional Information on the Collected Data

The personal data that the Member has published in the Application are made strictly confidential and invisible by FRUITZ to non-registered users and third parties. The responsibility of FRUITZ can not be put in line for data published on FRUITZ and disclosed by a Member.

Members that do not match the search criteria of other Members will not appear on the news feed of these Members.

1.5 Member Warning on Sensitive Data

Some data are qualified legally as "sensitive" under Article 8 of the law n ° 78-17 Informatique et Libertés of January 6, 1978. Fruitz is a french Company and is obliged to mention the current legal article on the French soil.

Upon registration on the Application, the Member may choose to communicate certain sensitive data concerning him or her on the occasion of his description, such as, for example, his ethnic origin, his sexual orientation or his political opinions.

FRUITZ does not encourage the Member to communicate sensitive data to other Members or to FRUITZ via the Application. If, despite everything, the Member wishes to communicate such data on his profile, this communication is at the express consent of the Member to the collection and processing of these data by FRUITZ.

1.6 Member Rights Statement

In accordance with Law No. 78-17 of January 6, 1978, known as the Data Protection Act (Fruitz is a french Company and is obliged to mention the current legal article on the French soil) each Member has the right to access, rectify, oppose and delete personal data. Concerned about the concerns of its Members, FRUITZ undertakes to respect the protection of personal data and to process these requests as soon as possible. The Member may exercise his rights, subject to proving his identity, by sending a letter or an email to the address mentioned in Article 17 of these Terms.

- The right of access authorizes the Member to interrogate FRUITZ with a view to obtaining the communication of data concerning him in an accessible form on the basis of Article 39 of the Data Protection Act (Fruitz is a french Company and is obliged to mention the current legal article on the French soil) .
- The right of rectification confers on the Member the right to require that FRUITZ be rectified, completed, updated or deleted personal data concerning him that are inaccurate, incomplete, equivocal, out of date or whose use, communication or the preservation is prohibited on the basis of article 40 of the IT and Freedoms Law;
- The right of opposition confers on the Member the right to oppose, at no cost and in a discretionary manner, that its data be used by FRUITZ for the purpose of prospecting, in particular commercial, on the basis of Article 38 of the Computer Law and Freedoms.
- The cancellation right confers on the Member the right to demand the free cancellation of the data communicated to FRUITZ free of charge, within the limits of the legal obligations incumbent on FRUITZ in its capacity as host.

These rights may only be exercised within the limits of FRUITZ's means of using Facebook Connect. Some of the data has been communicated to FRUITZ via Facebook Connect and can not be rectified without the cooperation of Facebook. The Member can also proceed by itself to correct most of the data concerning him on the Application itself.

1.7 Absence of Transfer of Your Personal Data

Personal data, visible or not for other Members, are not assigned by FRUITZ to third parties.

1.8 Data Retention

FRUITZ retains the Member's data for the duration necessary for the use of the Member's Account.

Moreover, it should be recalled that FRUITZ, in accordance with its hosting status, is under a legal obligation to keep certain personal data of Members for a period of one year on the basis of Article 6 (II). the Law for Confidence in the Digital Economy of 21 June 2004.

In view of the decree of February 25, 2011 relating to the conservation and the communication of the data, the retention period imposed on FRUITZ runs from the creation of the contents for the data mentioned in 1 ° and 2 ° of article 6, II of the Law for Confidence in the Digital Economy, ie:

- The identifier of the connection at the origin of the communication;
- The identifier assigned by the information system to the content;
- The types of protocols used;
- The nature of the operation;
- The dates and times of the operation;
- The identifier used by the author of the transaction when he provided it.

The retention period imposed on FRUITZ runs from the termination of the Account or the deletion of the profile for the data mentioned in 3 ° of the same article, ie:

- The names and surnames
- The pseudonyms used
- Email addresses or associated account
- Phone numbers
- The password and the data to verify or modify it, in their latest updated version

FRUITZ is committed to providing the best efforts and all the means at its disposal to ensure the maximum security of the data stored. It is still up to the Member to take appropriate measures to protect their data.

FRUITZ refuses to collect data from minor children. In the event of a Member's lie concerning his date of birth and more particularly in case of fraudulent attestation on his majority, the parents of the minor child are invited to inform FRUITZ by sending an email to the address indicated in the Article 17, in order to request the deletion of the data. FRUITZ undertakes to delete all personal data concerning the minor child as soon as possible.

1.9 Non-EU Data Transfer

When registering, the Member expressly agrees that his data may be transmitted to subcontractors of FRUITZ located outside the European Union for the purpose of carrying out statistical studies and, where appropriate, hosting the processed data. by the Application.

FRUITZ guarantees that these transfers are made under conditions that ensure the confidentiality and security of data and an adequate level of protection in compliance with the provisions of Article 68 and 69 of the Data Protection Act.

ARTICLE 2: CNIL DECLARATION

2.1 - CNIL Declaration

FRUITZ collecting information on its Members, was the subject of preliminary declaratory formalities with the CNIL with the parent company Flashgap with the capital of 26 232,00 € registered under the number 805 232 352 with the RCS of PARIS, whose registered office is located at 5 rue du pont aux choux, 75003 Paris and represented by its Chairman, Julian KABAB.

Theses English private policies have been translated, in any case of legal confrontation the original French version prevail on all other languages.
